

MN EIDBI Benefit

1) About EIDBI

Early Intensive Developmental and Behavioral Intervention (EIDBI) services offer medically necessary treatment to children under age 21 years old on Medical Assistance (MA) with autism spectrum disorder (ASD) or related conditions. EIDBI provides a range of individualized, intensive, developmental, and behavioral interventions that target the functional skills and core deficits of ASD and related conditions. EIDBI promotes optimal child independence and participation in family, school, and community life. EIDBI services educate and support families, reduce stress, and improve long-term outcomes and quality of life for children and their families.

2) Qualified Providers information

Early Intensive Developmental and Behavioral Intervention (EIDBI) providers include agencies and individuals that meet EIDBI provider standards and qualifications to enroll as a MHCP provider.

To meet EIDBI standards and qualifications providers, other than CMDE providers, must:

- Affiliate with an enrolled EIDBI provider agency
- Meet the qualifications described in the EIDBI Policy Guide
- Work under the clinical supervision of a Qualified Supervising Professional (QSP).

Refer to the [EIDBI Policy Guide](#) for more information on EIDBI provider qualifications.

3) Provider enrollment

Step 1: Provider Enrollment with DHS

To enroll as an EIDBI provider, follow the instructions on the [Early Intensive Developmental Behavioral Intervention \(EIDBI\) Provider Enrollment](#) page. All MHCP providers must register a MN-ITS account.

Step 2: Request participation in the network and then you will be notified of the decision.

4) Contracting process with Optum/Medica:

Contact the network manager in MN –Lisa Marx at lisa.marx@optum.com

- For Level 1, CMDE and QSP providers will need to be credentialed with Optum if not already. To start that process, click on the link to Join our Network: [Individually Contracted Clinicians \(providerexpress.com\)](#) and ensure that you indicate on application form the EIDBI specialty
- For Level 2 and 3 providers, Optum/Medica will be using the monthly file from DHS to load those providers to our system and the appropriate fee schedules.

5) Authorization requirements and DHS forms – Optum/Medica will be following DHS guidelines and will accept DHS forms for the authorization.

- **Verify Eligibility** by calling Medica Behavioral Health Intake Specialists at 1-800-848- 8327.
