Therapy Group Referrals

Medica Behavioral Health is committed to providing members with referrals to a variety of services. In an effort to inform members about therapy groups offered in the Medica service area, we need your help. If you are currently doing a therapy group and are willing to accept referrals presently or at some point in the future, please provide the Minnesota Call Center with the following information:

- Type of group (e.g., depression)
- Open or closed group
- Dates and times of meetings
- Participants (i.e., male, female or both)
- Age group
- Location, name of facilitator and contact information

Please e-mail the information to: ubh-mn_cmc_site_svc_rep@uhc.com.

If e-mail is not an option, you may fax it to us at 952-769-1390.

Thank you for your assistance in serving our members.
