

Out-of-network clinicians can now use the secure online transactions available within Provider Express

Registering on Provider Express and using the online transactions gives you back more time to do what you love – caring for your clients

Non-network solo clinicians registering on Provider Express can take advantage of the many tools and transactions that have made Provider Express one of the premier provider portals.

As a [registered user of Provider Express](#), you'll find your administrative burden can be significantly reduced. In fact, many of the transactions our network clinicians enjoy will also be available to you, including eligibility search, claim entry and inquiry, authorization inquiry, as well as direct access to Electronic Payments & Statements.

For more information, [click this link](#) or click on the video screen image to see how easy it is to register.
