

Louisiana Medicaid Behavioral Health Services

As you work with UnitedHealthcare Community Plan of Louisiana and Optum Behavioral Health, we recommend you think digital first. When available, digital options are the fastest way to find plan-related information, complete tasks, review claim decisions and receive payments — all without calling, mailing or faxing. You can spend less time on administrative tasks and more time with patients.

Secure portals and public websites

UnitedHealthcare Provider Portal

Go to UHCprovider.com > [Log in](#) (requires a One Healthcare ID)

Complete the following administrative tasks 24/7:

- Check member eligibility and authorization requirements
- Check claim status and request claim adjustments
- Submit reconsideration and appeal requests

For help accessing the portal, technical issues and changing notification preferences, call UnitedHealthcare Web Support at **866-842-3278**, option 1, 7 a.m.–9 p.m. CT, Monday–Friday.

For information on using the portal, visit UHCprovider.com/training > [Digital solutions](#)

Provider Express Portal

To update practice and demographic information, go to Providerexpress.com > [Log in](#) (requires a One Healthcare ID)

Need technical support? Contact the Provider Express Support Center at **866-209-9320**.

Provider Express Website

Reconsideration and appeal submissions

Most network providers (individuals and facilities) that provide services to UnitedHealthcare Community Plan of Louisiana (Medicaid) members are required to submit pre- and post-service appeals and post-service reconsiderations/appeals digitally. Review the [Louisiana Medicaid Behavioral Health Manual](#) for submission requirements, processes and timelines. There are 2 ways to submit review requests digitally:

1. [Electronic Data Interchange \(EDI\)](#)
2. **UnitedHealthcare Provider Portal:** Go to [UHCprovider.com](#) > [Log in](#)

Appeals question? Learn more at [UHCprovider.com](#) or call Provider Services at **866-675-1607**.

Utilization management / Annual assessment

To help determine appropriate care levels and provide a baseline to track clinical changes and outcomes, providers must complete an annual assessment for patients using either the Level of Care Utilization System ([LOCUS](#)) score sheet (adults only) or Child and Adolescent ([CALOCUS](#)) score sheets.

- Submit completed score sheets using the Healthy Louisiana [online mental health rehabilitation](#) request form

For additional information, please review the [Louisiana Medicaid Behavioral Health Manual](#) on Providerexpress.com > Our Network > State-Specific Provider Information > Louisiana located under Optum Network Manual

Clinical Criteria

Optum Behavioral Health uses clinical criteria from nationally recognized organizations to make coverage determinations and to inform discussions about evidence-based practices and discharge planning.
