

## MnFIRE Assistance Program

MnFIRE Assistance Program (MAP) provides emotional wellness for firefighters and their family members.

MAP claims are paid at a \$150 premium rate for in network MnFIRE providers. Appointments should be scheduled within 5 days of request. Claims must include:

- The **MAP authorization** and an **HJ modifier** following the CPT code

When billing using the secure [Provider Portal](#), select EAP and the HJ modifier will automatically populate. For virtual services, select the 02 Place of Service code.

For services, members can call the MnFIRE Helpline at **1-888-784-6634**, and choose Option 1 (MAP Program). Authorizations are required.

### MAP allows these procedure codes reimbursed at \$150:

**90832HJ:** 30-37 minute individual therapy session

**90834HJ:** 38-52 minute individual therapy session

**90847HJ:** Family therapy session with member in attendance

**90846HJ:** Family therapy session without member in attendance

**90853HJ:** Group therapy session with non-family participants

### Authorization tips

- Verify authorization details using the Auth Inquiry tool in the secure [Provider Portal](#).
- Authorization letters are sent via email or USPS – member must provide correct address
