

You're invited to a webinar on a newer, faster way to do medical necessity reviews

Want to trade 1 hour of time to save many hours with the new medical necessity review process that offers “pass-through” authorization thresholds and uniform authorization forms?

Join the Optum/UnitedHealthcare Outpatient Care Engagement (OCE) team for an upcoming webinar to learn about the July 1, 2026, Ohio Department of Medicaid utilization management (UM) process changes for Substance Use Disorder (SUD) services, including SUD Intensive Outpatient Procedures and the following behavioral health services:

- Therapeutic Behavioral Services (TBS)
- Community Psychiatric Supportive Treatment (CPST)
- Psychosocial Rehabilitation (PSR)

Each session is identical. Please register for 1 or both sessions.

Webinar discussion topics

Learn about how OCE medical necessity reviews:

- Differ from traditional UM requirements
- Save you time. OCE calls you. No UM request submissions needed.
- Are more collaborative medical necessity reviews when thresholds for IOP or TBS/CPST/PSR are met
- Ensure members continue receiving needed services
