Provider Responsibility

- According to Title VI of the Civil Rights Acts of 1964 and the Americans with Disabilities Act (ADA), providers are required to assure language access. HCA supports you in this effort by offering interpreter services through our contractor.
- ➤ If HCA's interpreter services contractor is unable to provide an interpreter, providers are responsible to provide an interpreter at their expense.

Interpreters and the Union

➤ The Governor granted spoken Language Access Providers (LAP)s bargaining rights in 2011.

➤ HCA and DSHS are required to follow the collective bargaining agreement (CBA). This means:

- ➤Interpreters must be LAPs
- ➤DSHS certified/authorized or recognized
- ➤ Payment rates are set by the CBA

➤ Agreement (CBA) between the state and the Union can be found at the Office of Financial Management: <u>Language Access Providers</u> <u>WFSE</u>

➤ ASL Interpreters are exempt from the bargaining agreement and terms

-

Integrated Managed Care (IMC) Changes Effecting Providers

How does this affect the way IMC providers request an interpreter?

- You must register an HCA account with <u>Universal Language Service</u>.
- > You must pre-schedule interpreters using their online scheduling system.
- ➤ For last minute emergent requests, you can call the Universal Language Service customer service center (425) 454-8074.
