Alaska Medicaid Provider Update

New State Fiscal Year June 30, 2023

The new State Fiscal Year begins July 1, 2023 and ends June 30, 2024. With the new fiscal year, the Division of Behavioral Health restarts the State Fiscal Year (SFY) service limit calculations for all services effective July 1, 2023.

An example of how this will work:

If an individual has utilized 300 group units of the available 304 group units for Intensive Outpatient (ASAM 2.1) by June 30, 2023, starting July 1, 2023, this individual will have a restart of 304 units for Intensive Outpatient group for the time frame July 1, 2023, through June 30, 2024.
