## Alaska Medicaid Provider Update

### **Procedure \ Modifier Grids March 22, 2023**

Entering procedure code modifiers in the correct sequence is necessary for accurate claim payment. Entering procedure code modifiers in any other order may result in claim denials, underpayments and/or overpayments that must be refunded.

Below are links to reference documents to assist providers with using the appropriate sequence for their billing purposes.

The current Procedure \ Modifier grids are located on the [Optum Alaska](#) website, under Provider Billing Resources:

- [1115 Waiver Services](#)
- [Autism Services](#)
- [State Plan Services](#)
