

Alaska Medicaid Provider Update

Change in Claim Number ID November 7, 2023

On November 8, 2023, the Optum Claims Processing System is being enhanced. *Claims payment will not be impacted.* Future claim numbers will have an alphabetical character (A-Z) in the 4th position of the claim number ID.

Example:

- Claim ID sequence update in 4th position with a character (A-Z)
 - **Current Claim ID:** 23X000000000
 - **Future Claim ID:** 23XA00000000

Please Note:

- There will be no change in Claim ID format (Alphanumeric).
- There will be no change in Claim ID size (12 characters).
- There will be no impact to existing claims.
- There will be no impact to claims payment.
