Alaska Medicaid Provider Update

Provider Self Audits May 1, 2024

Effective June 7, 2018, the Department of Health and Social Services requires all Medicaid providers to conduct a self-audit once every two years. The next self-audit cycle will cover either calendar year 2021 or 2022 and is due no later than December 31, 2024.

If your self-audit identifies an overpayment, please **DO NOT** submit adjustment/voids form(s) to HMS/Optum for processing. Instead, please include a check for the overpayment amount made payable to the "State of Alaska". This should be submitted with your self-audit or no later than 60 days following submission.

- Self-audit attestation, reports and overpayments are to be submitted to:
