PROVIDER ALERT

Dec. 1, 2023

Alert Summary: This alert is to inform you about a new audit tool created specifically for Partial Hospitalization Programs. This tool will go into effect on Jan. 1, 2024.

Dear Provider,

This is to inform you of a new audit tool specific to Partial Hospitalization Programs (PHP). This audit tool is designed to complement the revisions to the PHP section of the provider manual. Both the provider manual revisions and the new audit tool will be effective Jan. 1, 2024. The audit tool will be posted on optumidaho.com on Dec. 1, 2023 to give providers 30 days to review and understand the new tool.

You can find all our audit tools at optumidaho.com > For Network Providers > Guidelines & Policies

Thank you,

The Optum Idaho Team
