

# PROVIDER ALERT

March 15, 2024

**Alert Summary:** To increase awareness around Intensive Home and Community Based Services (IHCBS) including admission criteria, services included and much more.

Dear Provider,

This notification is providing you with an educational flyer regarding Intensive Home Community Based Services (IHCBS). If you are currently providing services or are considering providing Intensive Home Community Based Services at your agency, this flyer provides quick access and an overview of who is eligible, admission criteria, services included with bundle, services that can be billed outside of the bundle, services that cannot be provided while receiving IHCBS, and some examples of therapeutic approaches.
